

Tanguy Vincent

Task team leader agriculture/rural development/biodiversity, AFD

*“AFD: a strategic commitment towards public goods: Climate, Biodiversity and Health.
How does it apply to Georgia?”*

A mission to help construct a world in common that preserves and protect five public goods : people, planet, prosperity, peace and partnerships

Publicly-funded development finance is essential for the collective preservation of good held in common

Foundational commitments :

- 100% Paris Agreement
- 100% social link
- Partnership by design

How can smart technologies and innovation in the agricultural sector help achieve this commitment?

Increasing productivity while implementing the SDGs

Testing and disseminating

What relevant and adapted technologies and innovations can bring?

How does it apply to Georgia?

Wealth of biodiversity and climate change impacts in Georgia

Extracting social, environmental and economical benefits through innovation

Avenues for further action
